Memorandum of Understanding on the Academic and Scientific Cooperation Between the Kaluga State University, Russia and Haiphong University, Vietnam

The Rector of Kaluga State University and President of the Haiphong University hereby agree to foster academic exchange cooperation between the two universities.

1. The two universities will develop the following activities in the fields of environmental science:

- a) exchange of professors, research scholars and students;
- b) joint research, meeting and training;
- c) exchange of scientific, publications and information.

The implementation of these activities is expected after consultations and exchange of information between the two universities and the conclusion of detailed agreements.

The Memorandum of Understanding is valid for a period of ten years from the signing date and can be renewed before the expiration date by agreement between the two-universities.

Prof. dr. Maxim A. Kazak
Rector of Kaluga State University

Date

Prof. dr. Nguyen Thi Hien
President of the Haiphong
University
